Related Experience

Associate Producer

Client: Ubisoft Vancouver

Team Pwny Arcade

Facebook Social Game - Under NDA

Current: Jan 2011 - April 2011

Chosen to lead a team of first year students as they undergo their first project with a high profile client.

Tasked with producing art and design improvements to an existing Facebook social game to be re-launched in April 2011.

Responsible for communicating with client, producing design documentation and working with the artists, engineers and project manager towards a successful result.

Game Director Intern

Client: Cirque du Soleil's One Drop

Foundation and the DeGaspe Beaubien Foundation

Operation H2O (Social Game)

April 2010 - September 2010

Acted as Game Director and Lead Communicator in the ideation phase of a social game targeted at teens aged 13-15.

Responsible for creating game concept, leading the team on the prototype, researching and working with focus groups and communicating to the board of directors including members from Cirque du Soleil, One Drop, and the De Gaspe Beaubien Foundation.

Project Manager/Game Designer

Client: Microsoft and Fearless Frog Innovations

Banana Samurai (Web Game)

Team Yummy Cloud

October 2010 - November 2010

Collaborated with a team of five students over three months from concept to delivery of a two level game demo built in the cloud using Silverlight.

Responsible for project management, client communication, user testing, overseeing and creating schedules, status updates, risk assessment and risk mitigation.

Contributed as the lead game designer, writer and sound editor on the game which prioritized fun while promoting healthy eating habits, targeted at kids aged 6-10.

Project Manager

Client: Microsoft and Fearless Frog Innovations

Nom Nom Rider (WP7 Mobile Game)

Team Yummy Cloud

September 2010 - December 2010

A mobile game produced outside of school, in a month, with a team of five. One of only two apps from B.C. approved for launch on the release date of the Windows Phone 7.

Lead communication with Microsoft as we went through testing, launch and press, including promotion on MSN.ca and an interview on MSN's Health Tech Today.

Ranked #2 in Family Games on the WP7 Marketplace during the holiday season.
